Texas (TXWA), Arkansas, and Oklahoma (AOWA) Wireless Associations Announce Historic Merger.

The Texas State Wireless Association (TXWA) and the Arkansas Oklahoma Wireless Association (AOWA) are thrilled to announce their merger. Uniting the telecommunications families of Texas, Arkansas, & Oklahoma under a single, powerful banner. This strategic alliance marks a significant milestone in fostering collaboration, innovation, and growth across the wireless industry in these three dynamic states.

The newly formed organization Texas, Arkansas, Oklahoma Wireless Association (TXOA) will combine the strengths, resources, and expertise of TXWA and AOWA to better serve members, advocate for industry advancements, and address the evolving needs of the telecommunications landscape. By joining forces, we aim to amplify our collective voice, enhance networking opportunities, and drive initiatives that support the development of wireless infrastructure, technology, and services across our region.

Members of TXWA and AOWA can look forward to expanded resources and a unified platform to collaborate on issues critical to the wireless sector. Additional details regarding leadership, membership, and upcoming events will be announced in the coming weeks. Please see www.txwa.org for current information concerning the Spring Golf Tournament (April 9th & 10th).
